

To whom it may concern,
I believe it is radiculuous that traffic and weather is attempting to be limited from the airwaves of XM radio. As a listener, I am entitled to this broadcast information. I am a supporter of XM radio--I pay a monthly fee to limit the amount of commercials I hear during the day...not the programming. Please consider the request to limit those channels from XM radio a threat the constiitutional rights of all Americans.

Thank you,

David Kleba
